**Experience;**

Steve has worked in the Construction Industry for more than 40 years, working across all sectors of the industry and brings a wealth of knowledge and experience to all applications of the consultancy. He is involved in project management and contract administration, quantity surveying, Adjudication, Mediation, Party wall disputes and resolution, a regularly selected third surveyor, lecturer, and author on party wall and boundary disputes, and a serving and highly active director of the faculty of party wall surveyors, a leading and highly regarded professional body for practicing surveyors. Steve is involved from inception to completion of a wide variety of projects and under several different forms of construction contract such as JCT, NEC , bespoke construction contracts, FIDIC, and others.

From a trade background, Steve Campbell started his career physically building houses, extensions, and commercial units, and gained vast experience in refurbishment, alterations, and maintenance, before moving into site management and, project management, before becoming a construction director.

Projects under Steve's management have ranged in value from more than £80 million down to small projects of around £10,000 involving a range of construction, and procurement methods and he soon gained a reputation for project rescue and the management and delivery of difficult and complex projects.

Now Specialising in Dispute resolution since 2009 regularly sitting as the Adjudicator, or, Mediator, and acts as a party representative, and expert witness, in the county court, and TCC (specialist construction division of the High Court), Arbitrations, Adjudications, and mediations. Steve's vast construction experience at all levels, and his knowledge of technical, financial, procedural, Health and Safety and, legal issues, within the industry is entirely enviable and he is highly respected amongst his peers and fellow professionals.

Steve Arbitrates and Adjudicates on all construction and property related disputes including client and contractor, client and professional services, contractors and sub-contractors etc.

It has been quoted that Steve's understanding not only of the building itself, but also of those who construct it sets him aside from the mainstream.

A leading, and well-respected Adjudicator, mediator and party wall surveyor throughout the UK, and a highly respected expert in construction related disputes.
